D of E guidance for visiting group leaders from the Blackwell Adventure team

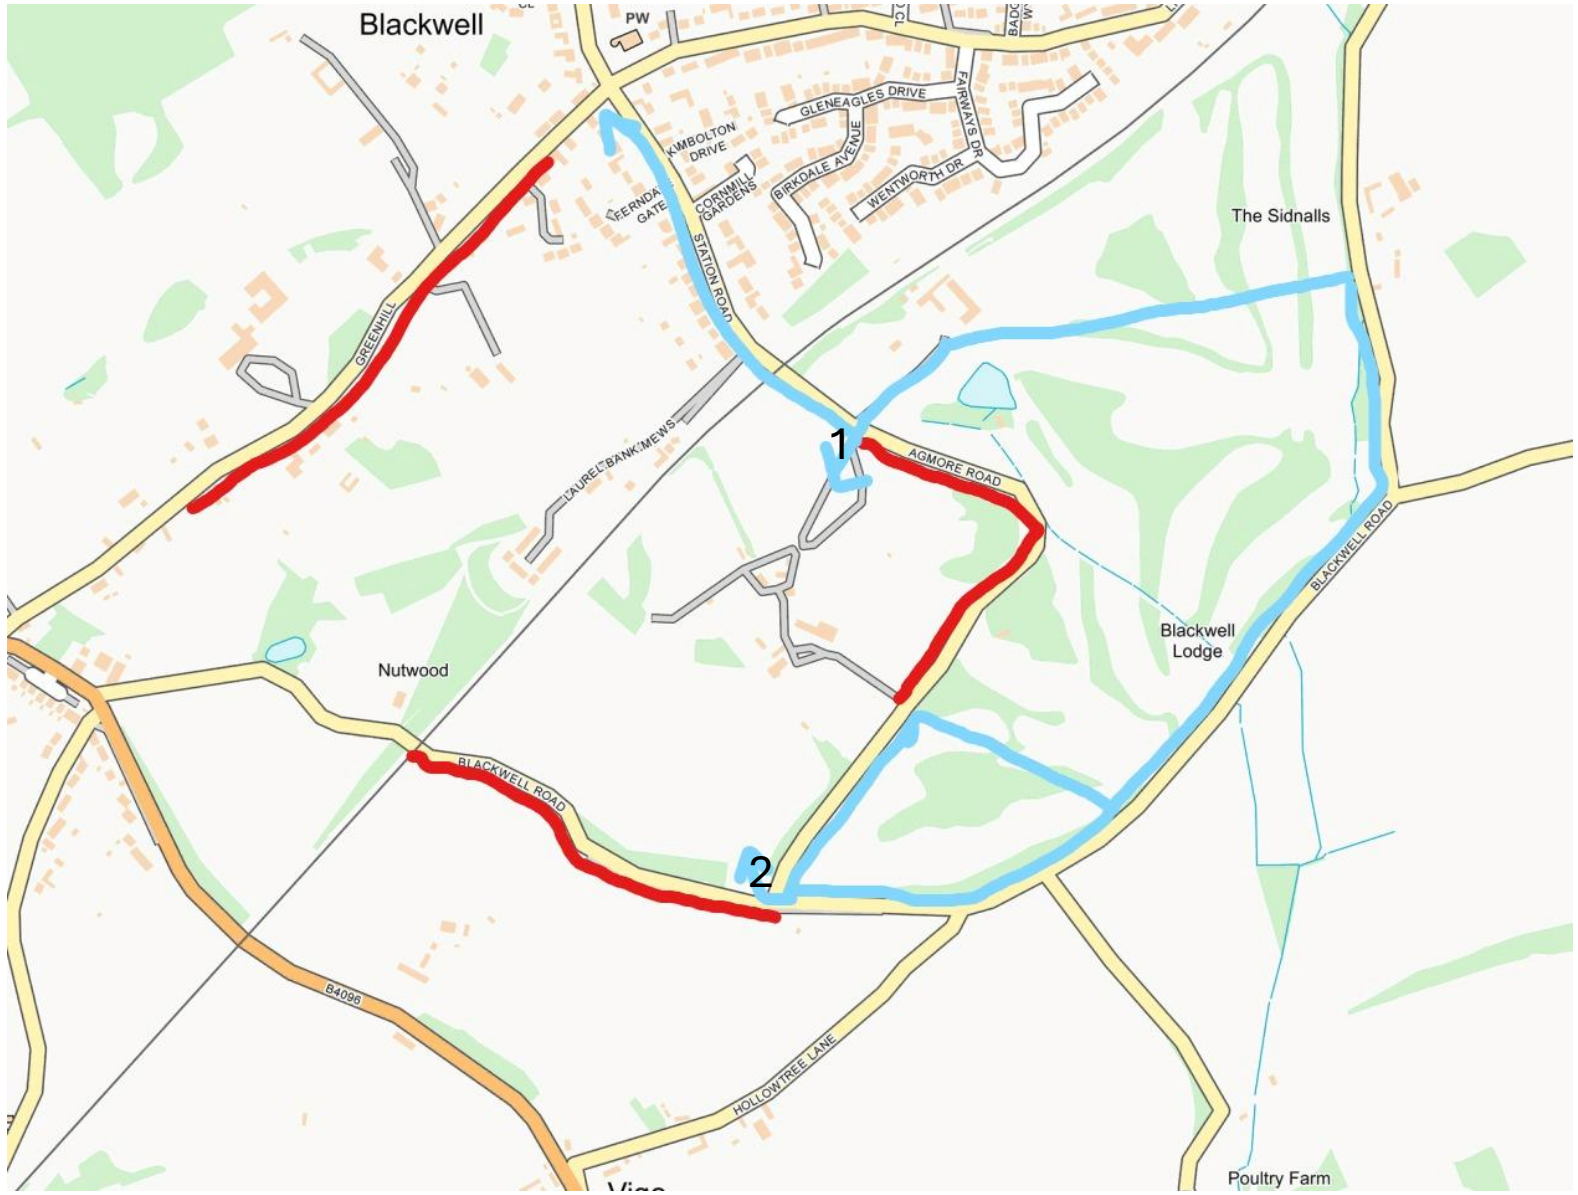
This information is for **leaders** of young people using the Blackwell Court site for DofE.

As the provider for your stay, you remain responsible for the behaviour and safety of your young people, whether they are away from the site or staying with us.

Useful information
The only pedestrian-friendly entrances on our site are the **Station Field Entrance (1)** and the **Park Entrance (2)** (by prior arrangement).

The Manor House entrance is unsuitable for pedestrians as the barrier is always closed.

Due to some near misses involving young people on the lanes and fast-moving cars, we strongly recommend that you manage the risk of young people walking on the lanes by either:

A) Providing suitable supervision for the Red areas on the map.
B) Avoiding Red areas if possible when setting routes and using Blue routes for accessing the sites.


Please don't assume that because the lanes look quiet, they are!
